

Self-Guided Walking Tour

This tour of the University of Miami will provide you with an inside look at our beautiful campus. As you explore, take the time to picture yourself here as a 'Cane.

If you have an hour, follow the orange route at a leisurely pace. Want to spend more time on campus? We know the feeling! Get the most out of your visit by checking out the green stops for even more points of interest.

QUESTIONS?

Contact the Office of Undergraduate Admission at 305-284-6000 or admission@miami.edu.

Get familiar with many of these spaces using our Virtual Campus tour along the way!

- 1 The **Whitten University Center** is home to the Office of Undergraduate Admission and the Office of Student Financial Assistance and Employment. The first floor features a student lounge, ATM, and WVUM, the award-winning, completely student-run radio station of the University of Miami.
- 2 The **Jenkins Building** is home to Miami Herbert Business School classrooms. The school is acclaimed for its global orientation and the diversity of its faculty, students, and curriculum. Business students get to tap into a thriving Miami business community, where more than 1,400 multinational companies have offices.
- 3 The **School of Education and Human Development** operates out of the Merrick Building. UM's programs in Teaching and Learning, Educational and Psychological Studies, and Kinesiology and Sport Sciences are ranked among the top in the nation.
- 4 The **Wolfson Building** serves as the center of the School of Communication. Facilities include a high-definition News Center, smart classrooms, digital editing and motion picture labs, and the Koenigsberg & Nadal Interactive Media Center, which uses the latest technology to cultivate a space for collaborative learning. UM is home to the Emmy and Telly award-winning UMTV broadcasts, *The Hurricane* newspaper, and the campus magazine, *Distraction*.
- 5 The **Simulation Hospital for Advancing Research & Education (SHARE™)** serves as a resource for the School of Nursing and Health Studies. Students practice real-life scenarios in a consequence-free environment before engaging in real-world clinical opportunities. One of the first education-based simulation hospitals in the country, it is designed to replicate functioning outpatient clinic, hospital, and home environments for patient treatment across the life-span continuum.
- 6 The **Dooly Memorial Classroom Building** holds classes for most majors. The average class size at UM ranges from 16-26 students. Fifty percent of classes for undergraduates have 17 or fewer students; 75% have 30 or fewer students. At the center of the building is the Cosford Cinema, which screens independent films, student-produced films, and blockbuster movies. Admission is free with a UM student ID.
- 7 The **Ashe Building** houses the office of the President, Office of the Executive Vice President and Provost, College of Arts & Science administrative offices, and the Graduate School office.
- 8 The **McArthur Building** is home to the College of Engineering. McArthur boasts more than 50 specialized laboratories, where students work with faculty on cutting-edge research projects with real impact.
- 9 **Cox Science Building** serves as the central classroom and laboratory facility for natural science majors. Adjacent to Cox is the Neuroscience Annex, which features an MRI facility, neuroimaging suite, and state-of-the-art research equipment.
- 10 The **Ungar Building** houses offices and classrooms and for undergraduate mathematics and marine, atmospheric, and earth science majors. (Free daily transportation is provided by Hurry 'Cane Shuttles to the Rosenstiel School campus on Key Biscayne.)
- 11 The **Richter Library** is the central University library. Here you will find quiet nooks, where you can hunker down and focus, and can access study lounges for group projects.
- 12 **Gusman Concert Hall** is a 600-seat concert hall that hosts 50+ ensembles at the Frost School of Music. Ensembles range from the renowned Frost Chorale, Frost Symphony Orchestra, and Frost Wind Ensemble to the award-winning Frost Concert Jazz Band, and Frost Jazz Vocal.
- 13 The **Shalala Student Center** houses student organization offices and lounge spaces, a 24-hour study space, meeting and activities rooms, and a media suite. The offices of Student Life departments, including Student Activities, the Butler Center for Service and Leadership Development, Orientation, and Commuter Student Involvement, are found here.
- 14 The **Hurricane Food Court** in the Student Center Complex features a variety of food options to satisfy any craving.
- 15 The **Campus Store** is a great place to pick up some UM gear to show off your 'Cane pride during and after your visit!

OTHER POINTS OF INTEREST

- 16 The **Jerry Herman Ring Theatre** is UM's student theatre. With unique flexible seating that can be arranged in multiple settings, students gain experience performing in any audience arrangement imaginable.
- 17 **Frost School of Music** facilities include the Weeks Music Library and Technology Center, which houses a laboratory for independent exploration, and the Weeks Center for Recording and Performance, which features a recital hall and professional recording studio.
- 18 The **Herbert Wellness Center** is our state-of-the-art fitness, recreation, and wellness facility open to the UM community. Ask the front desk for

permission to tour the facility. Guest entry is at their discretion.

- 19** The **School of Architecture** is ranked #25 per DesignIntelligence's rankings. Students receive 24/7 access to their own personal studio space, specialized computer labs, fabrication lab, and drawing studio.

- 20** **Lakeside Village** is the University's mixed-use student housing complex. Innovative design features, such as rooftop green spaces, a rain garden, and LEED Certified construction, support the sustainability initiatives of our campus and community.

- 21** The **Toppel Career Center** provides career and academic counseling to assist students as they select a major, seek employment, or apply for admission to graduate school.

- 22** **Mahoney & Pearson Residential Colleges** These residential areas for undergraduate students are comprised of two suite-style co-ed buildings. Living on campus as a first-year undergraduate is a way to meet new people and get involved in campus activities. Gender-inclusive housing is available.

- 23** The **Mahoney-Pearson Dining Hall** is one of two dining halls on campus. It features a traditional, all-you-care-to-eat residential dining facility. Meal plans are required for students who live on campus.

- 24** The **Low Art Museum** offers an array of exhibitions and educational programs, contributes to scholarly research, and preserves historically significant art and artifacts. Opened in 1952, The Lowe was the first art museum in South Florida.
